Some website ideas for FEWD97 - by Maria Stegner

- **I Surf New York website - a primer on learning to surf in New York, where to take lessons, which beaches to surf in, gear, and inspiration for the aspiring surfer.**

- **A new feature concept for Spotify: visualize your music faves by date range. User enters a date range, and the visualizer creates an infographic showing that user's most-played musicians (photos) in a cool animation, while a medley of the most-played songs plays in the background!**

- **Mad Libs game - choose a category (Star Wars, Sports, Greek Mythology, Animals, etc.). Get prompted to provide words (nouns, verbs, adverbs, etc.), and then get the completed passage (and maybe a funny photo)**

- **What Kind of Dog Breed Are You? A game where you answer some questions, upload a photo of yourself, and the big reveal shows which dog breed you are most like.**

-
